

Swimming Report NDA 2012

Records: All records were retired in 2012. Every swimmer that got a first place in their Classification and Age Group established a new record. Records will be posted by 1 Dec 2012.

Rules: As of now, there will be no rule changes. There will be some clarification of the rules done.

NJDC: 58 swimmers participated in Swimming at NJDC2012. Very few disqualifications, butterfly still seems to be biggest obstacle.

Meets: There were many qualifying meets this year and opportunities for classification.

Classification: If you are planning a meet and desire a Classification Panel, please submit your request to US Paralympics by 31 December 2012. Dates, times and location will be required in the request.

If anyone has any questions concerning swim, whether training, strokes or classification, please contact me.

Respectfully Submitted,

Glen O'Sullivan
